* Whilst paying for a verger is deemed an optional extra, practically speaking their role is essential to the smooth running of the service as they prepare the church beforehand and clear up afterwards.

The fees for the services listed above have been prepared by the Archbishops' Council and are the statutory fees which are payable.

They do not include charges for heating, the services of a verger, organist or recorded music provision which are fixed by the Parochial Church Council and listed above as 'Optional Extras'. Costs and expenses incurred in respect of routine administration, making the church available and lighting it are already included in the statutory fees.
